To all participating in the Browncroft Community Garage Sale:

We need your help to make our City safe for pedestrians and motorists during this event. Please obey the alternate parking, and other parking regulations posted along City streets. In addition to the posted restrictions, here are several other general rules for parking that apply in all areas of the City.

It is unlawful to:

**-Park less than five feet away from the edge of any driveway
(City Code 111-23b)**

**-Park less than fifteen feet away from any fire hydrant
(NYSV&T Law 1202b)**

**-Park any vehicle more than twelve inches away from the edge of the roadway
(NYSV&T Law 1203b)**

**-Park on or across any sidewalk, crosswalk, grassy area, or privately owned driveway
(City Code 111-23a,c,d)**

**-Park any vehicle in an intersection (or obstructing an intersection)
(City Code 111-23c)**

Parking in a legal manner allows fire, ambulance and police vehicles to respond quickly to emergencies. It also helps citizens to walk and drive safely in our neighborhoods. If you have any questions or comments regarding this letter, feel free to contact me. Thank you for your assistance.
