Cooking with Your Instant Pot
Monday, January 28, from 6 – 7:30 p.m.

Did you receive an Instant Pot recently and aren't sure what to do with it or how to use it? Your Instant Pot can do so much more than a regular pressure cooker, which might be a little overwhelming at first. Culinary Instructor Liz Bauld, previous manager at the Tops Cooking School and Food Service Employee for the Greece Central School District, will prepare 3-5 entrees and show you how to get the most from your Instant Pot. Generous samples of each item will be served. Registration is encouraged. Please email: wincir01@libraryweb.org or call the library at 428-8204.

This library is accessible to people with disabilities. To request specific accommodations call 585-428-8304 ten days prior to the program.
