PRESIDENT'S MESSAGE

Dear Neighbors,

It seems like so long ago but the memory lingers on of the very fine Holiday Buffet held in December. Betty O'Brien, Margaret Richter, and their committee certainly arranged a most enjoyable affair.

By the time we hold our meeting on the Can of Worms project on March 15th, work on the project will have started. No doubt there will be many questions. Be sure to come for a better understanding of how this project will affect the neighborhood and the timetable for the various stages of construction. I hope to see you there.

BEAUTIFICATION

-THE ROSE GARDEN

Spring is around the corner and with that in mind the Beautification Committee has chosen Saturday morning April 23rd for its spring clean up in the Browncroft Rose Garden. Volunteers are encouraged to come at 9:30 am with pruners, weeder, and cultivators. Loppers are also useful. The roses will be unmounted, pruned and fertilized. New volunteers are also needed and much appreciated. If you are interested or have any questions please call Cassy Petsos, 288-0955.

Please don't forget to mark down the date April 23!! Rain date Saturday April 30th.

SCHOOL #46

Hello and Happy Valentine's Day from Room 207, Mrs. Dickerson's class! February has been a very busy month for us. We have been working hard studying about Abraham Lincoln, George Washington, Black Americans and working on our Self-Esteem Project. On Friday, February 12th, we celebrated Red Day. It is part of our self esteem grant project. Everyday during that week children wrote compliments to their secret valentines. On Friday, at our Red Smorgasbord Lunch, they found out who their secret valentine was. A good time was had by all and the children enjoyed giving and receiving compliments everyday.

HELPING A BROWNCROFT FRIEND

A former Browncroft resident would like to rent a house in this area for 4 to 6 weeks this summer. If you are planning to be away on vacation or on business from the last week in June through the first week in August and would be interested in renting your home during that time, please call Betty O'Brien at 654-9727.

POSTCARD TO THE EDITOR

Dear Mr. Genthner-

We thoroughly enjoyed your humor in the two "Letters from the Editor" in the Browncroft Crier. The world would be a far happier place if everyone could return criticism with a smile and good nature like that!

Sincerely, Stephen Weber, Beresford Rd.

EDITOR: *Thanks - I needed that!*
